

**FORESTRY COMMITTEE MINUTES
MARCH 1, 2007**

BEETLE INSPECTION UPDATE

All filings will be completed on March 3rd

At this time approximately 80 trees have been flagged.

FORESTRY GRANT

We will not have grant money for 2008. The CSF is in the process of revamping the application process. Priority status will be given to those who apply as a group rather than individually. The new application will be mailed to Val in late summer.

SLASH BURNING

An in depth discussion on slash burning vs. volume in the borrow pit. We've decided more discussion is needed. Steve Vittum will contact the new wood recycling company off of Rodeo Drive to see if there would be interest on their part to chip Game Trail's slash.

JETCO LETTER

The annual letter to Jetco which accompanies his spraying authorization mailed to all Game Trail property owners was given to all attendees.

OPEN DISCUSSION

Open space West Ridge/Main Range- Chip will have the CSF forester look at the small tree grove and determine when we should next thin. Also, removal of the mistletoe trees in that open space is a possibility and perhaps replanting with seedlings.

Next Meeting APRIL 5, 2007 9A.M.-11A.M.

SANGRE DE CRISTO

(This will be the last meeting for this forestry season, w/forestry picnic in
May if weather permits)
